There is more Catarrh in this section of  
the country than all other diseases put  
together, and until the last few years  
was supposed to be incurable. For a  
great many years doctors pronounced it a  
local disease and prescribed local reme-  
dies, and by constantly failing to cure  
with local treatment, pronounced it incur-  
able. Science has proven Catarrh to be a  
constitutional disease, and therefore re-  
quires constitutional treatment. Hall's  
Catarrh Cure, manufactured by F. J.  
Cheney & Co., Toledo, Ohio, is the only  
Constitutional cure on the market. It is  
taken internally. It acts directly on the  
blood and mucous surfaces of the system.  
They offer one hundred dollars for any  
case it fails to cure. Send for circulars  
and testimonials.
